10/3/05                      R04-01-025                      Order Instituting Rulemaking to establish policies and rules to ensure reliable, long-term supplies of Natural Gas to California.

**Summary:** **AUGMENTATION REQUIRED.** On September 28, 2005, Mark Pocta, Program Manager with the Office of Ratepayer Advocates (ORA), met with Raminder Kahlon, advisor to Pres. Peevey, in San Francisco. Also present were Brian Prusnek, advisor to Cmmr. Kennedy, and Jacqueline Greig, Regulatory Analyst V with ORA. A written material designated as confidential by Pacific Gas and Electric Company (PG&E) was used. A redacted version of the material is attached to the notice. Pocta and Greig discussed ORA's response to PG&E's emergency petition. ORA provided information regarding PG&E's tolerance band under its CPIM and indicated that PG&E could have implemented its Hedge Plan under its current CPIM, with limited risk to shareholders. ORA also explained its alternative proposal of expanding the upper tolerance band. ORA also reiterated its position that if PG&E's Hedge Plan proposal is adopted, shareholder rewards should be eliminated.

10/3/055                      A05-02-027                      SBC Communications, Inc. and AT&T Corp., for authorization to transfer control of AT&T Communications of California (U 5002-C), TCG Los Angeles, Inc. (U 5462-C), TCG San Diego (U 5389-C), and TCG San Francisco (U 5454-C) to SBC, which will occur indirectly as a result of the merger of AT&T with a wholly-Owned Subsidiary of SBC, Tau Merger Sub Corporation.

**Summary:** On September 28, 2005, Jeff Compton, Vice President – Regulatory of Telscape Communications, Inc. (Telscape) met with Timothy Sullivan, advisor to Cmmr. Kennedy, in San Francisco. Also present was John Clark of Goodin, MacBride, Squeri, Ritchie & Day, LLP, representing Telscape. Confidential written materials used during the meeting are submitted as an attachment to Telscape's motion for protective order, filed concurrently with the notice. Redacted version of the materials is attached to the notice. Compton and Clark addressed Telscape's recent proposal that the Commission require a fifty percent reduction in the price for unbundled two-wire residential unbundled loops as a condition to approving the merger between AT&T and SBC. Compton and Clark observed that with the elimination of UNE-P, the ability of competitive local exchange carriers (CLECs) to compete successfully in the residential market for basic telephone service will require them to transition to a UNE-L strategy; however, at current loop prices, the cost structure faced by the CLEC seeking to serve mass

residential customers does not permit the CLEC to attract the capital it needs in order to install collocation facilities. Telscape's representatives acknowledged that VOIP will eventually replace plain old telephone service, but that affordable access to necessary broadband service is still a number of years away for many customers. Telscape representatives explained that, while TELRIC-pricing rules would ordinarily prevent the Commission from unilaterally imposing loop prices reductions, requiring SBC's agreement to the loop discount as a condition to approving the merger would be permissible and, legally, no different from other types of conditions the Commission has imposed in exchange for approving other mergers in the past.

MacVey, City Attorney for the City of Fontana, and Marvin T. Sawyer, attorney for the Fontana Unified School District. Written materials (attached to the notice) were used. ORA stated that ALJ Barnett during the prehearing conference for A05-08-021, declined to institute an Order Instituting Investigation (OII). Sanchez indicated that the Assigned Commissioner is the only one who can institute an OII at this point. Sanchez stated that San Gabriel Water Company filed an application for rehearing on the rehearing decision (D05-08-041) for A04-07-034. Charvez stated that the schedule the ORA and the parties are having to follow now is for a single district filing, but in reality the proceeding is for a two district filing and that with the Water Division's audit report, not only is the City of Fontana included, but also the City of Los Angeles.
